EXAMPLE RESPONSE 1 (108 words)		
Recently, the pandemic forced many schools to teach using remote classes where studen	tts spent a lot of time learning th	rough
watching videos. This has many strengths, but also many weaknesses. One strength	is that online videos can presen	t the
material with visual images and animation. This makes the material more engaging an		
attention and I think I can learn more deeply. On the other hand, one weakness is that I	earning through videos compar	red to
books limits my imagination. Books let me paint my own visual image of the words.	In summary, watching videos of	compare
to reading books has both advantages and disadvantages.	•
